

# Bob Rudis

**Director, Enterprise Information Security & IT Risk Management**  
**Liberty Mutual Insurance**

**Steering Committee Member, Mass. Advanced Cyber Security Center**  
**IANS Advisor**  
**Member, Society of Information Risk Analysts**

Bob Rudis is Director of Enterprise Security & IT Risk Management for Liberty Mutual Insurance. He has over 20 yrs experience building solutions for & defending global Fortune 100 enterprises across a wide spectrum of industry sectors. He is a vocal advocate for developing engaging security awareness programs, adopting a business-centric, risk-based approach to security solutions & measuring the efficacy of security investments with dynamic & actionable metrics.

Bob is on the steering committee for the Mass Advanced Cyber Security Center, an active contributor to the Society for Information Risk Analysts & was named one of Tripwire Inc.'s "Top 25 Influencers in Security."

When not cycling New England or building culinary creations, he can be found serial tweeting as @hrbrmstr.
